Heads Fund Drive For Radford C

RADFORD - Radford College alumni in the Appomattox area are now contacting other area alumni in a phonathon to raise money for the college's foundation.

Ms. Shirley W. Walton is captain of the drive in the Appomattox area.

The phonathon is part of an overall campaign to raise funds for the state -supported school from private sources.

Mrs. Sue P. Hill, director of Radford's alumni and development, says "that it is no longer possible, if it ever was, for the state legislature to find enough resources to pay for quality education in colleges and universities. Private support is the margin of flexibility needed to support special projects," she said.

Radford's 1975 drive is aimed at raising funds for students loans, a new library and equipment for broadcasting facilities.

Do a world of hungry people, will feed, heal. CARE — Now's the time of your lives.
